

Minutes of the Patient Participation Group Meeting

Wednesday 12th September 2018 at 14.00

Dr I.M Raja & Partner, Little Horton Lane Medical Centre

Attendees

Susan Odonoghue

Iwona Dylag- Barszcz

Dr A Khokhar

Megan Pulford

Apologies:

Unisa Iqbal

Unfortunately we only had one member of our group attend the meeting, we asked Mrs Pulford for any suggestions for getting more patients involved. One idea was to have a ladies only group to talk about breast screening and cervical screening etc.

Action to be taken;

Arrange for a Hospital Consultant to attend our next meeting to give a presentation to our group.

Next meeting
